## Mosaic Melodies

At Music Together Mosaic Melodies we know that it's never too early to begin a child's musical education! That's why we're thrilled to offer Music Together's Babies class. Your little one is a natural-born music-maker, and there's no better way for them to learn than during bonding time with the people they love the most.

In our Babies class, caregivers will be guided through fun, engaging musical activities, all while learning to recognize and support your child's early musical milestones.

### What to know?

- **Ages:** Music Together Babies classes are designed for little ones from birth to 9 months
- **Schedule:** Throughout the year, we will have 4-week mini sessions and 8-week full sessions that follow the same collection of songs as our Mixed Ages class.

- **Cost:** 4-week session = \$25/class OR \$75/mini session, 8-week session = \$25/trial class, \$75/month with two month commitment
