# BRASS BUDDIES

## We've Got That Swing

Looking for a unique way to deepen your child's appreciation for and understanding of music and instrumentation?

Brass Buddies may be just what you're looking for! Developed by a Suzuki-certified teacher, Brass Buddies will nurture your child's innate musicality and teach with encouragement, exposure, and repetition.

We know that committing to a new instrument at an early age can be daunting, but new musical experiences are so enriching and crucial to creative expression and development!

In our weekly class, Brass Buddies, students will have the chance to explore a variety of brass instruments in a low-pressure and fun group setting, where they can experiment and learn at their own pace.
